I had made up my mind that death was near at hand, and I longed for that time when I would be at rest. I had tried many different doctors and medicines without success, and my mother brought me the Cuticura Remedies, insisting that I try them. I began to feel better after the first bath with Cuticura Soap, and one application of Cuticura Ontenest.

"I continued with the Cuticura Read and Cuticura Cuticura Remedies, and have taken four bottles of Cuticura Resolvent, and consider myself well. This was nine years ago and I have had no return of the trouble since. Any person having any doubt about this wonderful cure by the Cuticura Remedies can write to my address.
